# Cyclisme Cycling Ciclismo

To H.E. Juan Antonio Samaranch

Dear Mr. President,

On behalf of the FIAC Executive Committee and Congress, and on my own behalf, I would like to thank you personally for agreeing to study the cycling Olympic program put forward by FIAC and particularly for allowing us to enlarge our Olympic competitions by including sprint for women among the track events starting in the next Games.

Olympic cycling, as we have seen in Los Angeles, is becoming more and more interesting and attractive to the public.

Allow me to add, Your Excellency, that as you know, during the individual road competition for women that took place on July 25th, more than 500,000 spectators attended. Many came early in the morning and stayed all day. The enthusiasm of the public contributed to a great day for cycling.

Thanking you again for your help, I remain respectfully yours.

*Valeri Syssoev  
President, FIAC*
